To Whom It May Concern:

Attached you will find the Capital Facilities and Technological Needs Component Proposal for the County of Santa Cruz. We posted a draft of this Proposal for public review and comment for thirty days. We reviewed the document with our Mental Health Services Act Steering Committee, our local Mental Health Board, submitted the document to contractors and other stakeholders, posted it on our Internet site, and made it available to anyone interested. Our Mental Health Board held the Public Hearing for the draft Proposal on October 15, 2009. There were no public comments.

We have send an electronic copy of this Proposal to your office, per your instructions on DMH Information Notice 08-09.

Please feel free to call if you have additional questions. I can be reached at 831-454-4515, or you may call the MHSA Coordinator Alicia Nájera at 831-454-4931.
