Meeting convened at 6:00 PM.

2. Review and Approve March 8, 2022, Meeting Minutes:
   Motion to approve minutes
   Motion/Second: King/Plumb
   Motion passed unanimously.

3. Program Updates:
   3.1. Williams reviewed the progress on the Board Directives and staff updates. HIV and testing will be offered during the Watsonville exchange shift. They have begun tracking which participants have Medical at each encounter. For those who do not, the program provides information and resources on how to sign up. Commission had questions regarding the new Health Educator and their role in the program. Staff clarified for the Commission.

   Presentation slides will be made available.

4. Continuing Business Items:
   4.1 Public Works Follow Up- Replacement for Resource Planner IV
   The candidate is likely to start by mid-May.
   4.2 Syringe Services Program Board Directives
   King presented questions regarding the objectives that have been met and directives that have been paused. The Commission also questioned the number of hours the program runs and the availability of volunteers for the exchange and whether the hours
have hindered the program or participation at all. Williams informed them that they conducted a survey regarding preferred hours and have set those hours based on those responses. The Commissioners questioned if our program is now collaborating with the Harm Reduction Coalition. Williams reported that while staff does inform and refer people to them, there is no official collaboration. Chair Bruder expressed the importance of revisiting the Board Directives once a year to stay on track.

4.3 Update from Reports Ad-Hoc Subcommittee on New Agenda Format
Sturm presented the new proposed format. One change he wanted to highlight was to move the section for public comment up to occur earlier in the meeting so that the public does not have to wait through the bulk of the meeting. Commission agreed to bring this item to the next meeting to vote on.
