Santa Cruz County Board of Supervisors Update for the SSP Advisory Commission

July 13, 2021
Presented by Jen Herrera, HSA Assistant Director
On June 8, 2021 the Board of Supervisors (BOS)...

- Accepted and Filed the Health Services Agency’s 2019-2020 Biennial Report for the Syringe Services Program
- Accepted and Filed the report to improve syringe litter reporting and response through a centralized system across all partners
- Directed HSA, the County Department of Public Works (DPW) and the County’s Information Services Department (ISD) to collaborate on
  - Implementing the My Santa Cruz County app as a tool to address public syringe litter reporting in the unincorporated areas of Santa Cruz County
  - Leverage existing solid waste disposal resources and improve overall litter efforts of the County of Santa Cruz and the Cities of Santa Cruz and Watsonville
- Jointly report back on progress by December 7, 2021
Additional Discussion from the Board

- The Board had further discussion around the following, though these proposals were not passed as additional directives:
  - Request for Proposal (RFP) for an On-Demand Litter pick-up, not to exceed $100,000
  - Data:
    - Collect additional data from the Harm Reduction Coalition of Santa Cruz County
    - Future Biennial Reports should include additional data on syringe collection from other partners
  - Task Force on Injection Drug Use
Next Steps

• HSA will collaborate with DPW and ISD to implement My Santa Cruz County for syringe reporting and report back in December 2021, as directed by the County BOS

• HSA will collaborate with HSD and city jurisdictions to increase syringe collection with work training programs

• HSA’s Public Health and Behavioral Health Divisions will collaborate on a Sept 2021 presentation around local Substance Use Disorder (SUDs) efforts, covering:
  • Effective/Best Practices for SUDs prevention and mitigation
  • Overview of existing efforts to prevent and manage SUDs
